

## YOUR SPONSORSHIP CAN HELP US TO SUCCEED

The BCBS Band Boosters are asking for your financial support through our sponsorship program. There are over 170 students at BCBS who participate in the various band and guard programs that take place both inside the classroom and on an extracurricular and co-curricular basis. Music is an integral part of our community, and we hope you will consider sponsoring our band program that benefits so many students and families.

## WHO WE ARE & WHAT WE DO

Boulder Creek High School Band Boosters is a 501(c)(3) nonprofit organization. Our main goal is to support the BCBS Band through fundraising and volunteering efforts. BCBS band and guard programs are year-round and benefit approximately 170 students. The BCBS Band Boosters bridge the gap between what the school district can provide and what is needed to support the best quality experience for all students.
